

Privacy Policy

Summary

We take our data protection obligations very seriously and it is important to us that you understand how we use your personal data. This Privacy Policy sets out in detail the purposes for which we process your personal data, who we share it with, what rights you have in relation to that data and everything else that we think it is important for you to know.

The main purpose for which we process your personal data is to provide you with services that you request from us through **SIMONLYUK.COM** (the Website).

Our Website also lets you compare sim only and mobile phone deals. You can view deals available and click through to the suppliers without providing us with any personal data.

If you decide to click through to a supplier, any personal data you provide will be subject to that supplier's privacy policy.

If you choose to opt in for marketing or to participate in our rewards scheme, we will be the data controller of that data and we will process it for the purposes set out in this policy.

We'll only keep your personal data as long as we need it and ensure it is securely destroyed when it is no longer required.

If you would like to contact us about one of your data rights set out under above, then please contact **enquiries@simonlyuk.com**
